Use of Products. All Instech Solomon products are sold for laboratory research use only. Instech Solomon products have not been approved by any government agency for use on human subjects.

Limited Warranty. Instech Laboratories, Inc. and Solomon Scientific (together "Suppliers") warrant their respective products sold to Purchasers against defects in material or workmanship as follows: Suppliers will repair or replace any defective product at no charge up to 90 days (mechanical parts) or one year (electronic components) after date of purchase. Purchaser must comply with Suppliers' policy regarding returns. Repair or replacement as provided under this Limited Warranty is the exclusive remedy of the Purchaser. Suppliers shall not be liable for any incidental or consequential damages of any kind for breach of any express or implied warranty on products, including but not limited to exemplary damages, commercial loss from any cause, business interruption of any nature, loss of profits or personal injury, even if Suppliers have been advised of the possibilities of such damages, however occasioned, whether by negligence or otherwise, except to the extent prohibited by applicable law. This Limited Warranty is in lieu of and specifically excludes and replaces all other express or implied warranties, including but not limited to the implied warranties regarding merchantability and fitness for a particular purpose.
